

ELECTRONIC INFORMATION RESOURCES

What is an Electronic resource?

An electronic resource is information source which the library provides **access to in an electronic format**.

The library has purchased subscriptions to many electronic information resources in order to provide you **with access to them free of charge**. Our E-Resources include lot of things: full-text journals, newspapers, company information, e-books, dictionaries, encyclopedias, economic data, digital images, industry profiles, market research, career information, etc.

As a student of the UJEP community, you are **provided with 24/7 access** to our e-resources on campus (including dormitory).

Where can you find these e-resources?

Links can be found on the library website:

<http://knihovna.ujep.cz/> section **Information resources**.

To search in all available resources you can use Metasearching tool (Multivyhledávač) **EBSCO Discovery Service**: this widget (see below) you can also search on the website <http://knihovna.ujep.cz/>.
