

J.E. Purkyne University RESEARCH LIBRARY **FAST HELPER**

How to proceed...

...when you need a book from Volný výběr.

- 1. Find the required book in the library catalogue. Important is the 4th table column called Volný výběr (for example J100 2012).
- 2. Mark number from this table column for look up book in bookshelf.
- 3. BEWARE OF books with RED STRIPE on the spine. It means that the BOOK CAN'T BE BORROW home but ONLY FOR STUDY HERE, in study space.
- 4. You don't need request for books which are here on bookshelves with placing (Dislokace) Volný výběr, but **only for books from warehouse** (SKLAD).
- **5.** You can make a reservation for book which is not currently available.

...when you need a book from SKLAD $(A \rightarrow F)$.

1. You have to **make a request** when you need book from warehouse.

To do so, you find the required book in the online catalogue, click on Půjčit si (Borrow).

You must be log in your account.

- 2. Books from warehouse will prepared for you within 30 minutes.
- 3. The ordered books need to be collected within 7 days. If you don't collect the requested books, they will return back to the warehouse and there is a penalty of 5 Kč for each uncollected book.
